# In Memory of Peter Powell

**Peter Powell**  
Town Crier for Lymm 1994-2023

On behalf of past and present May Queen Committees, I have been asked to write a few words to express our heartfelt appreciation of the lovely gentleman that was Peter Powell. It is an honour to do so.

I have known Peter for many years and had the pleasure of working with someone who gave his free time, unstintingly to the community of Lymm. Apart from being the renowned Town Crier, he was also a Parish Councillor including being Chair of the Parish. He was the driving force – albeit quietly, behind the gold medal winning Lymm in Bloom.

Peter was also Chair of Lymm Clothing Charity and had been Chair of Lymm Dickensian. He worked non stop ensuring that the grounds at St Peter's were pristine for the congregation. However, what I would like to reflect on is the fact that he was a fantastic mentor to those just starting out in public life – whether as a councillor or in some other capacity.

You always knew that Peter would be both helpful and give you sound advice. He was selfless in helping other causes – you knew that if Peter turned up in his town crier gear at your charity event it would be a success as every one wanted to speak to Peter and be photographed with him.

He led the procession for Lymm May Queen for over 25 years, even latterly when he was unwell and all loved him for doing so. It was typical of Peter that when we tried to give him an award during one May Queen event, we had to go looking for him because so many people wanted to talk to him, he had not even made it up the slope to the field. So, to conclude – a fantastic person, a true gentleman who is missed by family, friends and the whole community of Lymm.

Former May Queen Chair

## Committee Chair Welcome

Dear Lymm and surrounding communities residents

I would like to take this opportunity to welcome you to the 2023 May Queen event, being held on Saturday 13th May.

My name is Jenna and I moved to Lymm with my beautiful family, from Florida, over six years ago. We fell in love with Lymm and its wonderful traditions, including this one that began many years back in 1889. It is amazing to see it continue each year with the support of the locals and team of dedicated volunteers. Since arriving here, I have immersed myself in anything local and am a part of the Lymm Twin Town Society committee, Dickensian event and was an

event coordinator for the Carols by the Cross this past year. As an adult teacher in the health profession, I have a passion for caring and by being a part of these events I am very much at home.

Last year the May Queen committee saw a number of long-standing volunteers retire after decades of service. These are going to be mighty big shoes to fill. The new committee has been awesome in their support for each other, and I could not be prouder of them. It is also fantastic to see over 4000 people enjoying the May Queen event each year after ten months of solid planning.

As a team we have been overwhelmed and very grateful for all the community support, including the village traders and Lymm Parish Council. You have all been instrumental with your guidance.

We have a wonderful day planned with lots of free entertainment, a large variety of delicious food and beverages, an artisan market, activities for all ages and lots more.

I look forward to seeing you there.

Thank you  
Jenna Brown  
May Queen Chair

We would also like to congratulate the 3 runners-up for their excellent creative designs, it was an incredibly difficult decision for the judges.

# Lymm May Queen Committee

The Lymm May Queen is organised and operated by a team of local volunteers. The Committee is incredibly grateful for the support of everyone who helps in the preparations beforehand as well as helping on the day to make this event possible. We would also like to thank our families for their continued support to spend the time pulling events like these together.
